BLACKS IN CYBERSECURITY HEADQUARTERS

Greetings,

You are receiving this email because you applied to participate in BIC's Red Team Development Program. For the Fall 2023 cohort, we had 10 limited spots per level (20 total) and over 50 members applied.

Congratulations! You have been selected to participate in Level 1 of the Fall 2023 cohort!

This cohort will last for 3 months and consist of self-study as well as weekly study sessions.

We will host an orientation meeting **[We don't have dates and times yet]** to go over the exam/course, to schedule study sessions, and to review what is required to receive your free voucher.

Please make sure that you can attend. If not, please email the department as soon as possible.

Finally, the last steps to finalize your acceptance is to complete the program acceptance form found **here**.

Failure to fill out the form prior to orientation may result in losing your spot within the program.

If you have any questions or concerns, please email us ASAP at redteam@bichq.org.

We are excited to be able to offer you this opportunity and to watch you learn, grow, and get certified.

Regards,

Darrius Robinson
